

CHALLENGE YOURSELF WITH A DAY OF URBAN ADVENTURE IN TORONTO!

Word from our Executive Director

Dear Friends,

We are seeking your support for Across U-hub's continued growth and services for youth (aged 14 and above) to explore and affirm their identities in a multi-cultural context.

Across U-hub recognizes the complexity of bicultural identity and challenges facing our younger generation. We seek to help them cross both personal and cultural bridges. Our programs aim at building confidence and positive self-esteem; communication skills; creative and critical thinking; community conscientiousness and involvement; and compassionate citizenship and servant leadership. Across U-hub also provides a "Youth-Led" leadership development model to nurture volunteers through its authentic experiential leadership-training platform.

Our efforts require the full support of our community. I sincerely invite your support and partnership in raising a new generation with resiliency and excellence. Your generous support will make a significant difference to our work and, most of all, for nurturing young leaders that will make us proud for the future of our country.

Yours Truly,

City Mosaic FAQ

How does City Mosaic work?

In teams of two to four, participants will answer a series of guided interactive questions and complete a variety of activities to discover the hidden gems of Toronto's diverse culture and history at specific checkpoints, which are pre-selected around the GTA.

Each checkpoint requires participants to gather information from various sources and answer the questions in the booklet. Stories of each checkpoint will be presented by a checkpoint volunteer, who is called the "City Teller". By approaching the City Teller, participants will receive clues to answer the presented questions. Teams are encouraged to visit all the checkpoints and complete all the presented challenges. At the end of the day, all teams will gather at Mel Lastman Square to present their day of urban adventure experience.

What will each team receive?

Each team will receive the following:

- [City Mosaic T-shirts](#) – All team members must wear their event T-shirt on the day of the event for safety reasons.
- [City Mosaic Program Guide](#) – This guide contains all the checkpoint information and a series of questions and activities for participants to complete.
- [TTC Day Pass](#) – Participants are only allowed to travel around the city via public transit (TTC) and on foot during the adventure

Stage Performance? What are the criteria?

Before the City Mosaic Closing Ceremony, we welcome partnering organizations to sign up and take this opportunity to showcase the uniqueness of your culture by a performance of a cultural dance, traditional songs, or an original performance that can help our participants understand and gain a deeper knowledge into your culture. The length of each performance will be a maximum of 5 minutes. Performers will need to audition with Across U-hub prior to the event day. Please submit a link or a video of your performance to Across U-hub, or contact us for a short audition.
