

March 18, 2020

## NOTICE: CORONAVIRUS UPDATE

As a result of the state of emergency declared in Ontario, effective March 19, 2020, Across U-hub will be closed to the public until April 5, 2020, in order to contain the spread of coronavirus (COVID-19). Normal business activities will continue via email and conference calls when possible. We will provide any updated information on our website [www.acrossuhub.com](http://www.acrossuhub.com). If you have any inquiries, please email us at [info@acrossuhub.com](mailto:info@acrossuhub.com).

While we are helping to slow the spread of Coronavirus, some of our recreational activities are moving to social media platforms. We invite you to subscribe to our [Instagram](#) and [Facebook](#) page and to join our online activities while you are staying at home.

As a reminder, keeping a good standard of hygiene can help reduce the risk of infection or spreading infection to others:

- a. Wash your hands often with soap and water for at least 20 seconds, especially after using the washroom and when preparing food;
- b. Use alcohol-based hand sanitizer if soap and water are not available
- c. Cough or sneeze into a tissue or the bend of your arm, not your hand; dispose of any tissues you have used as soon as possible in a lined waste basket and wash your hands afterwards;
- d. Avoid touching your eyes, nose, or mouth with unwashed hands;
- e. Clean the high-touch surfaces (e.g. toilets, phones, electronic devices, door handles, bedside tables, television remotes doorknobs and faucet handles, etc.) frequently with regular household cleaners or diluted bleach (1 part bleach to 9 parts water);
- f. Stay home when you are ill;
- g. Avoid contact with people who are sick.

Stay healthy, let's get through this together.

Sincerely,

Across U-hub

# 2019 Novel Coronavirus (COVID-19)

## What you need to know to help you and your family stay healthy

**Wash your hands with soap  
and water thoroughly and often.**

**Cough and sneeze into your  
sleeve or a tissue. Dispose of tissue  
immediately and wash your hands.**

**Keep surfaces clean and disinfected.**

**Stay home when you are sick.**

If you have symptoms, call Telehealth Ontario at:  
1-866-797-0000  
TTY: 1-866-797-0007  
Or contact your public health unit.
